Petty cash was also unchanged at \$40, bringing the total club balance to \$4,656.95 for July 2024.

Motion to accept Treasurer's Report made by Don, KD0HHN, seconded by Joe, KF0PXZ.

**Repeaters:**

Al, N9MAF reports are all working as they should.

### Old/Unfinished Business:

-Summer Thunder is underway. Al, N9MAF, reports bands in and out. We're requesting more participants. Points can also be affiliated with the club. Visit Hamactive.com to sign up.

-Field Day - Allan reported on Field Day for the club. QSOs were okay, but band conditions were not that great. The total score was 1,545 for the club. Larry, WB2UFO, ran the GOTA station and had 4-5 participants. Eric, N0EMG, and Don, KDØHHN ran the SSB side, while Dave W9WE, and Allan, K9AJC, operated the CW portion. Al, N9MAF, operated on 6m to round things out. Operations were supplied by direct power, battery, and generator power. Eric was present as our served agency representative.

Lessons learned: The antennas were positioned too close together, and interference was rampant. Future plans need to pre-plan better and spread things out a bit more. Allan, K9AJC, says to go "back to basics" to the root of radio. Headsets should be required to cut down on noise interference from speakers.

-Fall BBQ for Sept 11 @ 1800? Suggested date/time for club activity.

-Martin, KDTMJ, volunteers to be BBQ Committee Chair. Place is TBD as of the July 10, 2024 meeting.

-ARRL LOTW has been up and down. It will be in and out for the foreseeable future, so everyone will need to be patient when attempting to access the site.

-Upcoming Hamfest - Mid-West Superfest... SE Iowa... SCARC on 8.11... Davenport...

-Biennial Registration for the club is due on 8/31/24. Since Cliff's passing, the registered agent will need to be updated. Registration costs \$30 by that date.

### New Business:

Some opportunities to apply for grants offered by ARRL have come to our attention. The Club Foundation grant is available until 7/26/24. The club is looking for someone who has some experience in grant writing is desirable. If anyone can assist, don't hesitate to contact one of the club officers. Don, KDØHHN commented that the grants cannot be used for emergency communication equipment.

Eric, N0EMG, is going to check into getting the application filed.

### Announcements:

Monday night ARES net control operators for the remaining month of July and the first half of August will be as follows;

7/15 – Jody, KE0OAA

7/22 – Allan, K9AJC

7/29 – Joe, W6JFL

### 50/50:

Mike, KF0PXH, won the 50/50. Congratulations Mike!!!

Mid-West Superfest tickets were also included in the raffle. Superfest will be held on September 21 & 22. Since no one was interested in this meeting, the tickets will be raffled again next month.

### Adjournment:

7:43 PM Jody, KEOAA, motion to adjourn; Shawn, KD9VUW, second the motion.

Carried by members.

## **FROM THE PRESIDENT'S DESK BY JOE LAULETTA, W6JFL**

Greetings, Members!

I hope everybody survived the hot spell! The weather looks good for this week, and of course we'll find out what the rest of the month holds in store for us in due time.

The upcoming Club Fall Barbeque is tentatively scheduled for Sept 11, a normal club meeting date, somewhere around 5 or 6 p.m. Big thanks to Martin KD0TMJ for stepping up to coordinate

the event – but remember: “More hands means less work!” The venue for the event is, again, tentatively, scheduled for either Martin’s or Al N9MAF’s back yard.

Also the menu, tentatively, is undecided. PLEASE, PLEASE, PLEASE, try to make it to the next meeting so we can hash out some details. The club will buy the meat, but I would rather not have 25 lbs of potato salad and no beans. Or whatever. Much to discuss at the meeting in reference to the barbeque.

Upcoming hamfests:

- Saturday Aug 10, Davenport IA W0BXR, about 3 hrs from Hannibal,
- Sunday Aug 11, St. Charles ARC in O’Fallon, MO, about an hour and a half from Hannibal,
- Sept 21/22, Midwest Superfest, Chillicothe IL, about 3 hrs from Hannibal,
- SE Iowa Hamfest, Columbus Jct, IA, about 2 hours from Hannibal.

We like to send a club member to contact the vendors, get their contact information, and invite them to our hamfest held in May. Contact me for more details!

73,

-Joe-
